

ESTABLISHING A NETWORK OF MENTORS: THE MENTORING MAP

Cécile A.C. Chazot, Max L'Etoile, Jessica Sandland

A mentoring map is a tool to map one's current mentoring network, identify unmet needs, and plan how to expand the existing network to meet one's goals. **On the mentoring map on the right, identify your existing mentors for the categories laid out. Encourage and assist your mentee in filling out their own.**
